

ISRAEL

April 21 — May 5, 2025

Explore Tel Aviv, one of the most vibrant cities in the world. Titled the 'Mediterranean Capital of Cool' by the New York Times, this is a 24-hour city with a unique pulse, combining sandy Mediterranean beaches with a world-class nightlife, a buzzing cultural scene, incredible food, UNESCO recognized architecture, and an international outlook.

And then there is the crown of cities: Jerusalem. A city of tradition, religion, and history, but also, increasingly, of modern culture and heritage. It is a city with so much to offer. The holiest city of them all, a melting pot of cultures, religions, and worlds.

Enjoy the health benefits of a visit to the enchanting Negev Desert and the mineral restoration provided by the Dead Sea at -424 meters, the lowest place on earth.

Visit the north of Israel, a land of immense natural beauty, historic and religious significance, and demographic diversity. Experience the green lush landscape with nature, history, and empires to be explored. This is a very active tour.
