A Message from Gail Gould

As I prepare to retire from my role as Executive Director of the Bernard Betel Center in late October, I feel many emotions and reflect with tremendous gratitude and pride on the journey we have shared. Leading this organization for close to 12 years has been one of the greatest privileges of my 49-year professional life, and I am deeply proud of what we have accomplished together. As I look ahead to this new beginning and chapter of my life, the timing is befitting as we prepare to celebrate Rosh Hashanah, our New Year. I am filled with optimism, hope, and confidence in what lies ahead for the Betel Centre and me.

While my retirement marks a personal transition, business at the Center will continue as usual. The mission, vision, values, and commitment to providing incredible, high-quality programs and services remain as strong as ever. I have complete faith in our exceptional staff and dedicated Board of Directors, whose knowledge, passion, and commitment have always been at the heart of our success. I know they will continue to uphold the standards of excellence that the community has come to expect and deserve.

To all of you—our members, volunteers, donors, funders, partners, and friends—I offer my heartfelt thanks. Your encouragement, confidence, and belief in this organization have meant more than I can adequately express. Your support has helped us grow, adapt, and continue making a meaningful difference in the lives of the adults we serve.

As I say farewell to my role, I do so with enormous gratitude and equally strong confidence in the future. With the exemplary work of our staff and Board, and in the near future under new leadership, I know the Bernard Betel Centre will continue to thrive and build on the strong foundation we have created together. New beginnings bring opportunity, and I look forward to watching this remarkable organization embrace what comes next with the same dedication, heart, and excellence that have defined it for the past 61 years.

*Wishing all of you many thanks
and a heartfelt, sweet New Year!*

Shana Tovah U" Metukah!
